indoor and outdoor classrooms

We have dedicated indoor and outdoor classrooms for exclusive use during your visit, depending on weather.

The indoor classroom allows you to store all your lunch bags, coats and teaching resources. The outdoor classroom features a mini beast hunt area and is separated from the general public areas.

Lunch facilities

As well as both indoor and outdoor picnic areas, we also have three on-park dining choices, all of which can be booked by schools by prior arrangement.

Menus are available upon request.

Hand Washing & Hygiene

There are hand washing points throughout the World of Country Life. Each point is equipped with water, anti-bacterial soap and hand driers.

After each animal encounter, please ensure children are supervised and wash their hands properly before they move on to their next activity.
